

The Best Gift I've Ever Received

The best gift I ever received was a fourwheeler. Its funny though because, I just received it yesterday. It was a fourtrax 4x4. I like it very much.

First, The reason this fourwheeler is my favorite gift is this, All of my friends have them. They have always had fourwheelers. I have always wanted a fourwheeler. But, I know my family couldn't afford it at the time so I waited. Yesterday was the big surprise I woke up and got dressed. When I went outside to catch the bus there it set. I was like Holy Moly. So I'm getting brakes put on it.

Another reason I think this is my favorite gift is because I don't have to walk anymore. You see I'm a fat man. I don't like to walk. So that's a pretty good reason I think to get one.

Finally, This is my favorite reason why this is my favorite gift. So that when my girlfriend comes over we can go in the woods. Because, see at my house I don't get any privacy, so being able to leave is a plus.

I have just listed the three reasons I thought my fourwheeler was my favorite gift. I hope you enjoyed reading them. Maybe, when I talk this in 11th grade I'll tell you some stories about me and my fourwheeling adventures.

Score Point: 4

This response reflects proficiency in expository writing skills. The best gift chosen is a fourwheeler, and key reasons are developed to explain the writer's selection (all my friends have them, I don't have to walk anymore, and privacy). Although there is a minor digression (I'm getting brakes put on it), the response is adequately organized. Some awkward sentence structure is evident. However, adequate facility in the use of language is demonstrated. Further development is required for a higher score.
